NPL Proposed Rule #58 and Final Rule #56 were signed today.

The proposed rule proposes to add 9 sites to the NPL and the final rule adds 9 sites (including one fed facility) to the NPL. See table of sites below.

The rules are anticipated to be published in the Federal Register on Thursday, May 23. The HQ press release is projected to be issued on the afternoon of Tuesday, May 21 and the Superfund website will be updated with the new information and supporting documentation concurrently with the issuance of the press release.

Congressional representatives are expected to receive their notification letters on the morning of Tuesday, May 21.

Attached is the most recent version of the HQ press release. If Regional press offices would like to coordinate with HQ, please have them call the HQ press office directly.

Please let me know if you have any questions. Thanks.
